

## Summer Reading Program 2019 - A Universe of Stories!

Sign up with your name and age starting on Monday, June 17<sup>th</sup>. We encourage you to read 20 minutes a day. This is the recommended daily reading time by the school.

Attention Pre-Readers, this year the library will be offering a sticker program for children who are not yet readers. Earn a sticker for every day that you are read to. Come in and trade in your completed seven day sticker sheet for a book.

Readers will be keeping daily time logs, these will be available for children/parents to record their reading totals and are kept at the library. Please total any minutes you wish to redeem before you visit the library, but if you forget we will have a calculator for you to use. Every time a child accumulates 100 minutes they are eligible to redeem those minutes and choose a bead/tag to add to their chains. There will be three levels of minutes read (100, 200, and 300) and there is no limit to the number of times they can restart the levels. Chains will be given when the 100 minutes level is reached. Minutes may be recorded for beads and tags June 17<sup>th</sup> through August 7<sup>th</sup>.

You can redeem minutes for beads/tags, Monday through Friday 10am -5pm, as often as you like throughout the summer but they must be redeemed by August 30<sup>th</sup>.

Attend our free events and earn a special program bead! These wonderful performers/shows are sponsored by the Friends of Moultonborough Public Library!

You might win passes to area attractions! Top three readers in ages 1-5, 6-9, 10+ will receive a book bag filled with fun prizes, including a Gift Certificate to Bayswater Books!

The Boston Bruins hockey team is sponsoring NH Libraries again this year and active readers will have a chance to win special raffle prizes! Let's make reading fun this summer!
