

## Need Multiple Copies?

Local book groups may request multiple copies of books if:

- The books are not current popular titles
- The books are AT LEAST 6 months old
- There are enough copies available to borrow from other NH libraries.

## How to Make a Request

One person from the group can contact the library to request we borrow multiple copies. Be sure to submit your request with as much notice as possible. At least six weeks ahead of the group meeting is suggested. It's recommended to give an alternate title choice in case we are unable to fill the first request.

### Information required:

- Title and Author of the book
- Number of copies needed
- Special format requests (large print, audio CDs)
- Pick-up date
- Date books will be returned to the library

### Search the Internet

Publisher websites sometimes include reading group guides and author info. Video and audio clips of author interviews can often give insights and interesting background information.
